What is FLY?
Background and Context of Policy

• **What is a National Youth Policy?**

• **Definition of Youth – Culturally and Socially Constructed – (15-35)**

• **Brief History of Youth Policy in Liberia**
"We, the young people of Liberia, under the guidance of God Almighty, the Ministry of Youth and Sports and the Federation of Liberian Youth (FLY) do consider ourselves as the nucleus of the Liberian society as well as agents of social, economic and political change now and at every juncture of Liberian history."
Goal

Is to promote youth participation in the national decision making process.

It is also to provide an appropriate framework that will promote fundamental human rights and protect the health, social, economic and political well being of all young men and women in order to enhance their participation in the overall development process and improve their quality of life.
Vision

A Liberia where young people live in safety and security with equal opportunities to realize their dreams and aspirations; and be success-focused and morally upright to exploit their maximum potential economically, culturally, politically, socially and religiously.
